

Japanese Exchange

Unique Japanese exchange
opportunity for AEU members in 2012

AEU members have a unique opportunity to undertake, along with AEU staff, an education exchange program to Shizuoka, Japan. (NO Japanese language needed!)

Running from September 23 and returning October 1, this program runs during the term three school holidays and is a chance for teachers in Japan and Victoria to exchange ideas and information about education, and experience each other's culture. DEECD recognises this exchange program as PD and member costs associated with the study tour are tax deductible.

The program includes:

- * educational exchange with Shizuoka Teachers Union
- * a three-day homestay with a teacher's family and visits to their school
- * meeting with Shizuoka Prefectural Board of Education
- * sightseeing in Kyoto and Nara.
