

Wills AEU member information

At Redlich's, we have partnered with another law firm to provide a great offering to AEU members. By contacting the AEU to facilitate the referral to our office, you can receive a free simple will (single), reduced fee simple will (couple), or reduced fee complex wills (single/couple).

We know your time is precious. Our partner law firm is committed to assisting you in a timely manner once your referral is received. This means:

- Contact from our partner firm via phone within 2 business days to arrange a meeting, after which you will receive an online form to complete and guide for assistance. If online is not your preference, you can discuss your instructions in the in-person meeting with the solicitor.
- Meet with the solicitor in person or over the phone within 1 week
- Receive your draft will within 1 week of meeting, after which you can provide updated instructions for amendment
- Receive a further draft will within 2 days of providing instructions
- Execute your will within two days of confirming the final will.

What is a simple will?

A simple will (single)

- Appoint executor(s), and back up executor(s)
- Leave everything to partner
- If no partner:
 - Everything to children (or next of kin if no children);

- If children are minors, will to include appointment of guardian(s).

A simple will (couple) is where the wills substantially mirror each other.

What will it cost?

If you are an AEU member, you will receive a free simple will (single). If you require a simple coupled will, your non-member partner will pay \$200 out of pocket.

If your will is not simple, the cost will depend on the level of complexity. Our partner law firm will offer a no-obligation meeting to provide a fee estimate.

Add ons

In addition, our partner firm also offers reduced Powers of Attorney and Medical Treatment Decision makers for \$220 (single) or \$330 (couple) if made within three months of taking instructions on wills.

Exclusive to AEU members

Our partner law firm appreciates teachers and school staff often need to do their life admin in the school holidays – if you give your instructions to the firm in the first three days of school holidays, they will aim to have your will ready for execution before you go back to school!

To access your free will, speak to the AEU Member Support Centre on 1800 AEU VIC to facilitate a referral to our office and begin the process.
