3 OCTOBER 2016

DECISION

Fair Work (Registered Organisations) Act 2009
s.159—Alteration of other rules of organisation

Australian Education Union
(R2016/164)

MR ENRIGHT

MELBOURNE, 3 OCTOBER 2016

Alteration of other rules of organisation.

[1] On 12 August 2016, the Victorian Branch of the Australian Education Union lodged with the Fair Work Commission a notice and declaration setting out particulars of alterations to the rules. Following consultation with the branch, a further declaration was received on 22 September 2016.

[2] The particulars set out alterations to rules 4, 17 and 57 of the rules. The alterations make changes to the election provisions including the delivery of nominations to the returning officer.

[3] The existing nomination provisions within the Victorian Branch rules were the subject of an adverse report from the AEC in E2016/61. The alterations address the matters subject of the adverse report. Parts of the particulars were provided to the AEC by the branch in its reply.

[4] On the information contained in the notice and the further declaration, I am satisfied the alterations have been made under the rules of the organisation.

[5] In my opinion, the alterations comply with and are not contrary to the *Fair Work (Registered Organisations) Act 2009*, the *Fair Work Act 2009*, modern awards and enterprise agreements, and are not otherwise contrary to law. I certify accordingly under subsection 159(1) of the *Fair Work (Registered Organisations) Act 2009*.
